

Spider-Man Pretzel Webs

What you'll need:

- Pretzel sticks
- Chocolate of choice (will be melting)
 - If using white chocolate, you can use 2-3 drops food coloring of choice and mix together to change the color
- Wax paper
- Knife
- Bowl

Directions:

1. Place 6-8 pretzels in a 'star' shape on wax paper.
2. Place chocolate in a microwave-safe bowl and melt in 30 second increments (stirring after 30 seconds) until fully melted.
3. Take a knife to dip in chocolate, drizzle over pretzel formation in circular motion.
4. Let chill in the refrigerator for 10-20 minutes.

Ways to increase difficulty:

- Have your child transfer chocolate into a ziploc bag, cut off the bottom corner and pipe the chocolate onto the pretzels.

Ways to decrease difficulty:

- Have your child use 2-4 pretzels to make the design
- Model the steps for your child to copy side by side
