

Train Themed Treat

What you will need:

- Graham crackers
- Mini nilla wafers
- M&Ms
- Candy corn
- Cheerios
- Paper plate
- Sharpie

Directions:

1. Draw train tracks on the bottom of each paper plate using a sharpie.
2. Put the graham crackers as the body and head of the train.
3. Put the mini nilla wafers as the wheels of the train.
4. Put the candy corn as the chimney of the train.
5. Position the cheerios as the smoke of the train.
6. Decorate the train use the M&Ms.

How to increase difficulty:

- Show the picture of the train and ask your children to make it from their memory rather than follow the directions.
- Use a small paper plate to increase the challenge to position all the materials.

How to decrease difficulty:

- Model or provide verbal instructions for your child to finish the activity.
- Use a large paper plate to make a bigger space for your child to position all the materials.
