

Toilet Paper Roll Cars

What you will need:

- Toilet paper tube
- White paint
- Paintbrush
- Scissors**
- Hot glue/gun
- 4 lids or pouch caps
- Markers, stickers, or paint

****Use caution when handling scissors with young children. Use child-safe scissors, supervision, or do the cutting for them, as needed. ****

Directions:

1. Cut a U shape in the cardboard tube to make the opening for toys to sit in the car. Fold the U up and cut it again to make it smaller.
2. Paint the toilet paper tube white and set it out to dry.
3. Decorate the cars with markers, stickers or paint.
4. Hot glue the wheels on and it's ready to play with.

How to increase difficulty:

- Have your child follow the written instructions without help, as well as gather all materials/perform all of the steps of the activity independently.
- Find a template for the car decoration and decorate the car follow that.

How to decrease difficulty:

- Help your child to cut the U shape if have difficulty with cutting.
- Model, verbal cues or hand on hand to help with your child if have difficulty with the activity.
