

Coral Reef Sponge Painting

What you'll need:

- Construction paper / printer paper
- Paint
 - Any colors of choice
 - Washable preferred
- Dish sponges
- Marker
- Paper plate

Directions:

1. Draw 1-2 designs onto the sponges with marker (cut out the sponge for child)
2. Squeeze paint colors of choice onto paper plate (with both hands)
3. Dip sponge into paint and transfer onto construction paper
4. Repeat with different sponge designs and colors as desired

Ways to increase difficulty:

- Have your child cut out the sponge design themselves
- Practice writing their name at the bottom of the page

Ways to decrease difficulty:

- Draw the reef designs onto construction paper and have child use a regular sponge to paint the design on the paper
